

United States District Court District of Oregon

Notice of Availability of Written Opinions

Effective April 11, 2005

In compliance with the E-Government Act of 2002, the U.S. District Court for the District of Oregon has installed Version 2.4 of the CM/ECF software which provides electronic access to the court's written opinions filed on or after April 11, 2005 at no charge.

A written opinion is defined by the Judicial Conference of the United States as "any document issued by a judge or judges of the court, sitting in that capacity, that sets forth a reasoned explanation for a court's decision."

The Written Opinions Report is available under the REPORTS menu via CM/ECF at <https://ecf.ord.uscourts.gov>. A PACER (Public Access to Court Electronic Records) account is necessary to view CM/ECF documents over the Internet.

PACER users can also access opinions through a query or docket report of case activity. The user will not be billed for accessing the written opinion, however they will be billed for the original report or query.

For more information about the CM/ECF system visit the CM/ECF website at <http://ord.uscourts.gov/ECF/CMECFHomePage.htm>. To register for a PACER account, go to www.pacer.psc.uscourts.gov.
